June M Campbell  
2538 NE 102nd Ave  
Ankeny, IA 50021-9223

Referenced Address: 2538 NE 102nd AVE Ankeny, IA 50021-9223  
Referenced Account: 0085352298

You must make arrangements with a licensed plumber to install backflow prevention device(s) for containment on your incoming domestic water line immediately following your water meter **WITHIN 30 DAYS FROM RECEIPT OF THIS LETTER.**

The Water Usage Inventory that was completed for the above referenced address indicates that the water lines are or may be connected to equipment or devices that use or contain substances that could be a health hazard if they flow back into the public water supply.

The device must be installed by a licensed plumber in accordance with Polk County Building Regulations and tested by a tester registered by the Iowa Department of Public Health.

Your facility may also require the installation of isolation devices to meet local Plumbing Regulations.

If there is currently a backflow device installed immediately following your water meter please advise us of the size, model and serial number. Or if you need additional time to comply or have any questions please call John Lins at 515-323-6234.

Sincerely,
